Day 3 (June 18) Ferry ride with the New York Skyline in the background. Our special stop is **Ellis Island**, where you will visit the **Immigration Museum**. It is here that immigrant roots are traced between the years of 1892 – 1954. During this period over 12 million immigrants entered the United States from this island in New York Harbor. You will experience immigrant roots through film, photos and recordings, and the aura of the Great Hall. Next we cruise to Liberty Island to see the **Statue of Liberty** and visit the **Statue of Liberty Museum**, featuring artifacts, photographs, and surprising stories from the statue's construction.
