Notice of Neighborhood Meetings

Dear Neighbor,

You are receiving this letter because you are listed as owning property within 2,000' of Rancho Potrero Community Equestrian Center.

The Conejo Recreation and Park District (CRPD) is holding follow-up community outreach meetings. At the meetings, proposed lighting improvements to the East riding arena only (SEE SITE MAP ON REVERSE), as the existing lights are in need of renovation to meet use and local design standards. Staff and the center operator will be available to answer general questions regarding the facility as well; the District seeks your ideas, input, and feedback.

As you may recall, in November 2021, two initial neighborhood meetings were held to discuss proposed lighting improvements at the West arena and East arena. From these efforts, a working group was formed and subsequent meetings included CRPD staff, Dos Vientos HOA representatives, the equestrian center operator, a boarder, and CRPD Ad Hoc Committee members (Director Lange and Director Nickles).

As a result of these meetings, staff is proposing East arena lighting improvements; additional plans and information will be available at the meetings as well as on the project website.

You are invited to attend a neighborhood meeting to provide your input. All meetings will be held on-site at the East arena at 4790 West Lynn Road. The meetings are scheduled for:

Saturday	June 8, 2024	9:00am
Wednesday	June 12, 2024	6:00pm

You may attend both meetings if you wish; however, each meeting will have a similar format. If you cannot attend either meeting but would like to provide your input, please contact me.

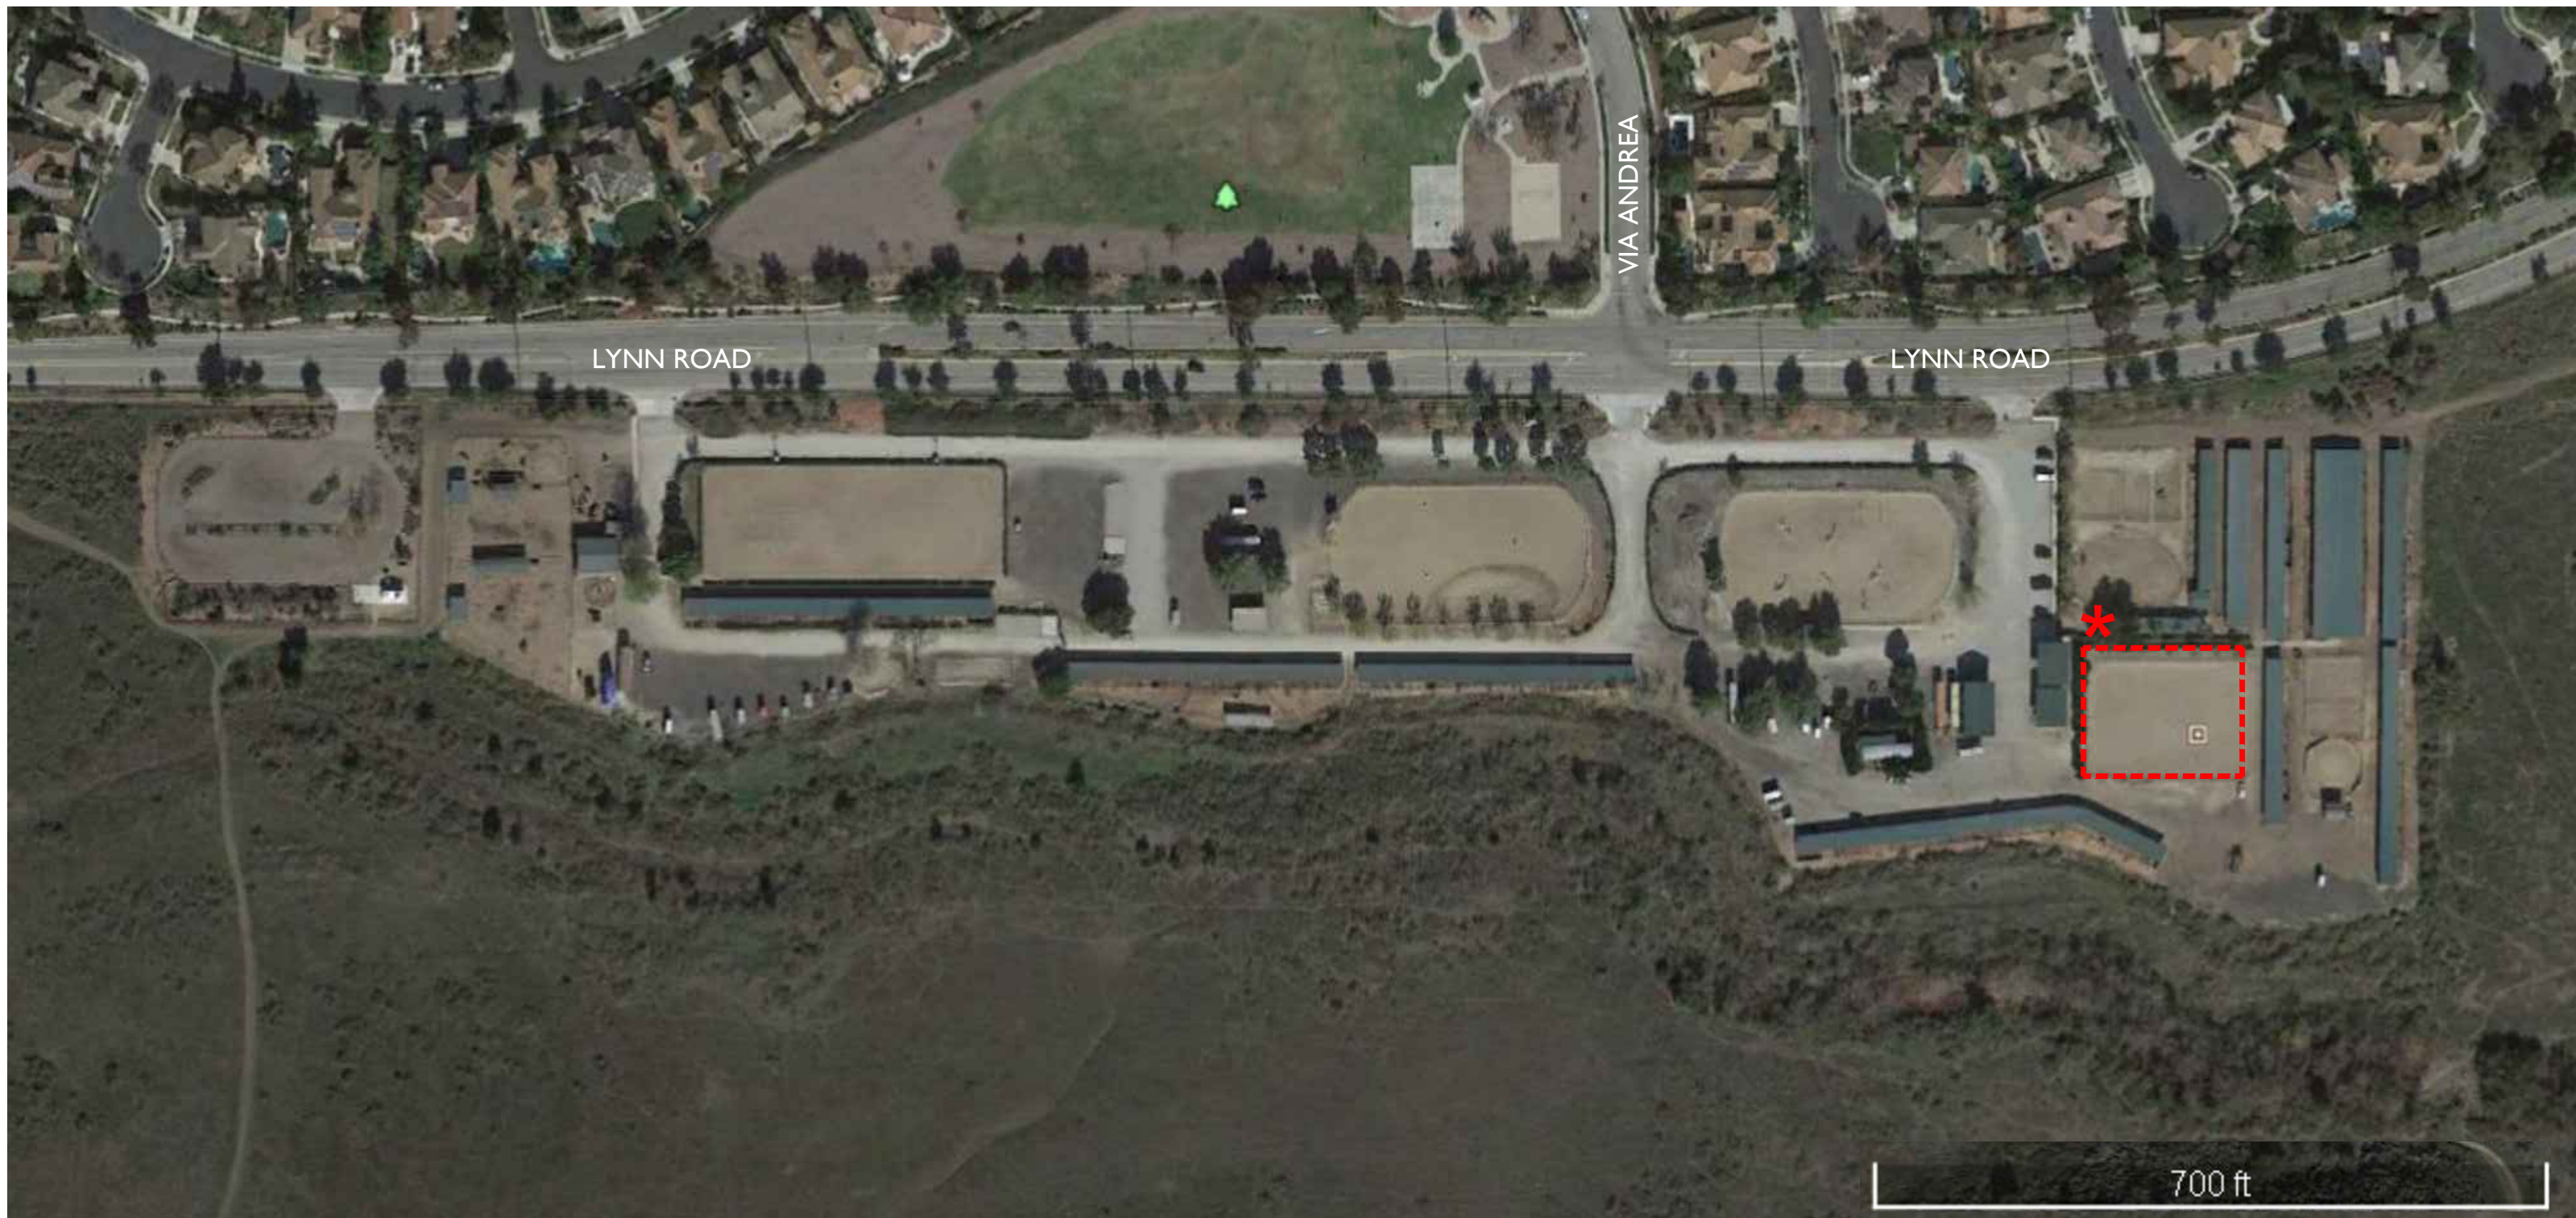

The meeting will last approximately 45 minutes. Project staff and others will be available for questions. If you have any prior questions, feel free to contact me at (805) 495-6471 or amooney@crpd.org.

Sincerely,

Andrew J. Mooney, Director
