Notice of Community Meetings Conejo Community Park Schematic Design Update

Since our last community meetings earlier in the year, the District has contracted with Andrew Goodwin Designs (AGD) of San Luis Obispo to provide environmental, landscape architectural, and architectural services for Conejo Community Park and Center Improvements. District staff has been working closely with AGD and has prepared a Schematic Design Package that we are excited to share with the community.

You are invited to attend a community meeting where District staff will present schematic plans and ask for your feedback. All meetings will be held via Zoom only. Please refer to the below project website for meeting links. The meetings are scheduled for:

Sunday	November 1, 2020	11:00am
Wednesday	November 4, 2020	6:00pm

If you wish, you may attend both meetings; however, each meeting will have a similar format. You can also visit the project webpage at www.crpd.org/ccproject, where you will find additional and ongoing information, including the current plans, frequently asked questions, timeline, photo gallery, and the history of Conejo Community Park. If you cannot attend either meeting but would like to provide your feedback, please email me at amooney@crpd.org.

If you have any questions, feel free to contact me via email or phone at (805) 495-6471.

Sincerely,

Andrew Mooney
